

Sustainable Big Bend, Inc.
2014 Green Living Expo
April 26, 2014

Sponsoring the Green Living Expo 2014

We are pleased to invite you to be a sponsor of the Green Living Expo to be held on Saturday April 26, 2014 at the TCC Wakulla Center and Hudson Park in Crawfordville. Several Green Living Expo's were held in previous years with the last one being held in 2011. As a result of numerous requests the Expo is returning this year. The Expo is a partnership between the Sustainable Big Bend, Inc and the University of Florida IFAS Extension. Sustainable Big Bend, Inc is a registered 501(c)3 non-profit organization with a mission of promoting sustainable living practices.

Educational workshops held at the Expo will follow three tracks; Coastal Sustainability, Food Security & Nutrition and Water & Energy Conservation. The event will also include a Bike Rally, Children's Activities and a Green Flea Market. Your sponsorship serves as a reinvestment in our community and will enable us to greatly increase the promotion of the Green Living Expo. Sponsors who contribute \$100 or more will be recognized through our publicity and the day of the event.

In excess of 500 people attended the last Expo with 27% from outside Wakulla County. Evaluations showed that 84% planned to make changes in their lives as a result of the Expo. People in the Big Bend area want to learn about sustainable practices and how they can have less impact on the earth's resources.

We hope you will join us this year and help our citizens discover ways to save water, energy and money by implementing sustainable practices in their lives. For more information on sponsorships contact Sandy Cook at 926-5045 or E-mail: Sandy2888@centurylink.net

Sincerely,

Sustainable Big Bend Green Living Expo Planning Committee
